

# CORE

## Welcome

Co-ordinating opportunities and  
routes into employment

# What is CORE?

- ❖ Consortium of 5 agencies
- ❖ To develop an 'employability case management system' for prison leavers, and remove barriers to employment for offenders.

Co-ordinating opportunities and routes into employment

## Aim

- ❖ The overall aim is to maximise the number of people leaving prison to addresses in Edinburgh who, after liberation, participate in employment – related programmes and move on to work or towards work.
