

from the people behind Transition

**WANT  
A WAY  
OUT?**

**passport**

start anywhere get everywhere

A new way forward if you're moving out of care, prison, drug use or homelessness

## Hardest to help

- Providing access to education and employment opportunities for people moving on from **drug use, prison, care, homelessness and street workers.**
- Based on a team of case workers providing individual relationship support to challenge, advocate and motivate.
- Involves partnerships between specialist support services and education and employment providers on behalf of participants.

## What does it offer?

- **Case Manager approach providing**
    - Regular one to one support
    - Action planning SQA
    - Advocacy and problem solving
    - Placement into programmes
    - Move on to employment and further training within 4- 6 months
- 

# Young Offenders
