

what **employment academies**  
can do for you...

...to help you get a job

## What Employment Academies can do for you...

...Employment Academies can help you find the job you want.

## Who are the Employment Academies?

They are experts on getting people work in particular industries in Edinburgh & Lothian. There are Employment Academies for lots of different industries: so wherever you'd like to work, they can help you.

## How do Employment Academies work?

They work with employers to find out:

- What range of jobs are available in different industries (e.g. construction, retail, tourism)
- What an employer is looking for and how to help you get the right skills for the job
- How to get a foot in the door

## Why will the Employment Academies be useful for me?

- Different industries have different needs, so they'll get you the specific training and skills you need to get the job you want
- Each employment industry is different, so each Employment Academy is different

## How long will it take for me to get a job?

Each Employment Academy's training is different and can last for different periods of time: from 3 weeks to 9 months. At the end of your training the Employment Academy guarantees you interviews for jobs.
